

AI INCOME STARTER KIT

Your 7-Day Action Plan

Reality Check

Before diving in, let's set expectations. This isn't a magic bullet, it's a *starter kit*. Building a sustainable AI income requires consistent effort, learning, and adaptation. This playbook provides the tools; your success depends on your execution.

Key Principles:

- **Value First:** Focus on providing genuine value to your audience.
- **Consistency is Key:** Show up every day, even when you don't feel like it.
- **Adapt and Evolve:** The AI landscape changes rapidly. Stay curious and learn continuously.

How to Use This Workbook

This workbook is designed to guide you through your first 7 days of building an AI-driven income stream. Each day has specific actions. **Complete each task before moving on.**

Sections:

- **7-Day Plan:** Daily tasks for building your foundation.
- **Outreach Scripts:** Templates for connecting with potential clients/customers.
- **Follow-Up Scripts:** Strategies for nurturing leads.
- **Closing Scripts:** Techniques for converting leads into paying customers.
- **Offers:** Ideas for packaging and pricing your AI services.
- **Action Steps:** Summaries with checkboxes to track your progress.

7-Day Plan: Day 1

Objective: Identify your niche and define your AI service offering.

Tasks:

1. Brainstorm 3 potential niches where AI can provide significant value. (e.g., content creation, marketing automation, data analysis).
2. Research existing solutions in each niche. Identify gaps and opportunities.
3. Define your unique AI service offering. What problem will you solve? How will you differentiate yourself?
4. Document your target audience. Who are they? What are their pain points? Where do they spend their time online?

Virality School Branding: Remember to keep your content branded with 'Virality School'.

Action Steps:

- ☐ Niche Brainstorm
- ☐ Market Research
- ☐ Service Definition
- ☐ Target Audience Profile

7-Day Plan: Day 2

Objective: Set up your online presence and create compelling content.

Tasks:

1. Create a simple landing page or profile showcasing your AI service. (Consider using a platform like Carrd or Linktree).
2. Write a compelling value proposition that clearly articulates the benefits of your service.
3. Create a piece of valuable content (e.g., a blog post, a short video, a social media thread) demonstrating your AI expertise.
4. Promote your content on relevant platforms to attract your target audience.

Virality School Branding: Ensure your branding is consistent across all platforms.

Action Steps:

- ☐ Landing Page Setup
- ☐ Value Proposition
- ☐ Content Creation
- ☐ Content Promotion

7-Day Plan: Day 3

Objective: Begin outreach and lead generation.

Tasks:

1. Identify potential clients/customers in your target audience.

2. Personalize your outreach message to demonstrate that you understand their needs (see Outreach Scripts section).
3. Send out at least 20 outreach messages via email, LinkedIn, or other relevant platforms.
4. Track your outreach efforts and responses.

Virality School Branding: Professionalism and 'Virality School' values in every interaction.

Action Steps:

- ☐ Prospect Identification

2. Provide additional value by sharing relevant resources or insights.
3. Address any objections or concerns raised by potential clients/customers.
4. Schedule introductory calls with promising leads.

Virality School Branding: Maintain the brand image during follow-ups.

Action Steps:

- ☐ Follow-Up Implementation
- ☐ Value Delivery
- ☐ Objection Handling
- ☐ Call Scheduling

7-Day Plan: Day 5

Objective: Conduct introductory calls and present your service offering.

Tasks:

1. Prepare a clear and concise presentation of your AI service (focus on benefits, not features).
2. Actively listen to the needs and pain points of your prospects.
3. Tailor your presentation to address their specific challenges.
4. Clearly outline the next steps for working together.

Virality School Branding: Use approved logo on your presentation.

Action Steps:

- ☐ Presentation Preparation
- ☐ Active Listening
